Overdrive is the cleanest, fastest, and most legal way to access millions of ebooks—not just ones in the public domain, but even recently released mainstream titles. There is one hitch though: you’ll need a valid and active public library card. Overdrive works with over 30,000 public libraries in over 40 different countries worldwide.

The book was planned and written as a single, sustained argument. But earlier versions of a few parts of it have appeared separately. The object of this book is both to establish the existence of the paradoxes, and also to describe a non-Pascalian concept of probability in terms of which one can analyse the structure of forensic proof without giving rise to such typical signs of theoretical ...

L.J. COHEN, THE PROBABLE AND THE PROVABLE pp. 77-81 (1977) THE DIFFICULTY ABOUT NEGATION. Consider, for example, a case in which it is common ground that 499 people paid for admission to a rodeo, and that 1,000 are counted on the seats, of whom A is one. Suppose no tickets were issued and there can be no testimony as to whether A paid for admission or climbed over the fence.

THE PROBABLE AND THE PROVABLE - Green, Nesson & Murray ... The Probable and the Provable (Clarendon Library of Logic and Philosophy) by Cohen, L. Jonathan and a great selection of related books, art and collectibles available now at AbeBooks.com.

DUKE LAW JOURNAL ating actual practice from a theoretical, normative perspective. In The Probable and the Provable, however, the philosopher L. Jonathan Cohen0 aims to demolish the idea that classical probability (which he calls "Pascalian probability") is even a theoretically appro-
